

ADDITION FLIP STRIPS

Just Fold, Cut, & Flip!

ADDITION to 20

8 differentiated flip strip activities

Created by Cara Carroll ~ The First Grade Parade

COUNT & ADD
Count the two sets of objects, write OR cut & paste two matching equations

2+7=9	3+4=7	6+2=8	5+6=11	4+6=10
6+4=10	1+5=6	2+6=8	4+3=7	7+2=9

Count & Add
Count the two sets of objects, write OR cut & paste two matching equations

WHAT'S THE SUM?
Solve the equation, cut & paste different ways to represent the sum.

3+6
5+2
7+3

What's The Sum?
Solve the equation, cut & paste different ways to represent the sum.

ADDING ON THE NUMBER LINE
Add the number circled on the number line to the number indicated, cut & paste 2 ways to show the equation & the sum.

+5
+4
+2
+3

5+1	3+4	2+8	3+2	1+7
7+1	2+3	8+2	4+3	1+5
6	7	10	5	8

Adding on the Number Line -
Add the number circled on the number line to the number indicated, cut & paste 2 ways to show the equation & the sum.

ALL IN THE FAMILY
Add the pips on the domino to write the equation. Cut & paste all of the equations in the fact family.

2+4=3	1+1=2	1+0=1	3-2=1	4-3=1	3-2=5
0+4=4	1+2=3	1+3=4	5-2=3	1+0=1	4+3=3
3+4=4	2+3=5	5-3=2	1-0=1	2-1=1	3+2=2

All in the Family -
Add the pips on the domino. Write the 3 numbers that make up the equation. Cut & paste all of the equations in the fact family.

BALANCING ACT
Solve the equation. Write OR cut & paste two equations that equal a matching sum. (balanced equations)

7+5
9+6
6+5
7+7

6+6	8+7	7+4	9+5	7+6
9+4	6+8	8+3	10+5	8+4

Balancing Act -
Solve the equation. Write OR cut & paste two equations that equal a matching sum. (balanced equations)

TRUE OR FALSE
Identify and sort correct & incorrect addition equations and match accordingly.

4+3=7	2+5=6	3+3=6	1+1=0	8+2=3
1+0=0	3+3=9	3+5=5	5+4=9	5+3=8
7+3=8	1+3=4	2+0=1	6+4=8	7+2=9
2+3=5	4+5=6	3+0=3	7+3=0	3+5=5

True or False
Identify and sort correct & incorrect addition equations and match accordingly.

WHAT'S MISSING?
Identify the missing part of the equation, cut & paste to match

2+ ? = 7
4+ ? = 6
2+ ? = 10
4+ ? = 8

3 4 8 2 5

Missing Number -
Identify the missing part of the equation, cut & paste to match

MAKING 10 / MAKING 20
Count the pips in the ten frame and determine how many more are needed to make 10/20; write the matching equation

Making 10/Making 20
Count the pips in the ten frame and determine how many more are needed to make 10/20; write the matching equation
