

CONNECT 4

Connect 4 is a game created to be played in a small group/teacher table setting. Each student will hold a game board and the teacher will read aloud the calling card(s). Students will identify the matching sound and cover it on their game board. The first person to connect 4 in a row, wins! (beginning, medial, ending sounds)

18 Connect 4 game boards and 134 teacher calling cards are included in this resource.
