class NEWS
MONTH OF: September

LOOKING AHEAD
September is going to be a wonderful month. After our holiday on September 4th, we will start reading and math benchmark assessments. Guided reading books will be sent home after assessments are complete. We will take a virtual field trip to an apple farm and have an apple taste test right here in class. TUM!

REMINDEES & ANNOUNCEMENTS

- Please remember to join the PTA! Membership fees are due by September 11.
- Please remember to park alongside the North wing of school when walking up your child's backpack.
- Happy birthday to:
• (16) & Tyrell M. (22)

WHAT WE'RE LEARNING...
The beginning of the school year is a great time to learn each of your child's academic abilities. In August we focused on reviewing foundational skills in all academic areas (addition, subtraction, letter sound, rote counting, letter blending and identification; phonemes; etc.)
In September, we will be the ground running by diving head first into addition up to 20. We will blend 34 letter-phonemes to build real and nonsense words and we will also practice syllabication. We will build our writing stamina by learning about & writing personal narratives. We will also study community helpers and learn all about...
