WEEK FOUR, DAY 5 Snuggle Snump text-to-self

Read about the story Goodnight, Grizzle Grump! by Aaron Blabey. In this story, Grizzle Grump is trying to hibernate but it's too noisy and that makes him VERY grumpy! Prompt students to write about a time that they felt grumpy. Encourage them to use details in their writing. Distribute writing templates to each student. (Two different templates are included to reflect different sized writing lines, use the one that best fits the needs of your writers.) Prompt students to write about what makes them grumpy and then color the bear. Take a picture of each student in your class making a grumpy face. Print and cut out student faces. Adhere the face to the grumpy circle on the bear. Mount on construction paper to display.
